

The tables below list the current implementation states of JavaPOS functions with Envoy supported devices. *NOTE:* Calling a function that is not implemented will result in a JavaPOS exception.

For additional information regarding the UPOS and JavaPOS APIs, please refer to the [National Retail Federation](#) and [JavaPOS](#) websites respectively.

JavaPOS Functions for Fujitsu F53 Dispenser	
adjustCashCounts()	Implemented
checkHealth()	Internal (Level1) – Implemented External (Level2) – Implemented Interactive (Level3) – Not Implemented
claim()	No Operation
close()	Implemented
compareFirmwareVersion()	Not Implemented
directIO()	Not Implemented
dispenseCash()	Implemented
open()	Implemented
readCashCounts()	Implemented
release()	No Operation
resetStatistics()	Not Implemented
retrieveStatistics()	Implemented
updateFirmware()	Not Implemented
updateStatistics()	Not Implemented

JavaPOS functions for MEI SCN Cashflow	
adjustCashCounts()	Implemented
beginDeposit()	Implemented
checkHealth()	Implemented
claim()	No Operation
clearInput()	Implemented
close()	Implemented
compareFirmwareVersion()	Not Implemented
directIO()	Not Implemented
endDeposit()	Implemented
fixDeposit()	Implemented
open()	Implemented
pauseDeposit()	Implemented
readCashCounts()	Implemented
release()	No Operation
resetStatistics()	Not Implemented
retrieveStatistics()	Implemented
updateFirmware()	Not Implemented
updateStatistics()	Not Implemented

JavaPOS functions for Banking Automation RCD	
adjustItemCount()	Implemented
compareFirmwareVersion()	Not Implemented
readItemCount()	Implemented
resetStatistics()	Not Implemented
setPowerNotify()	Implemented
updateFirmware()	Not Implemented
updateStatistics()	Not Implemented
directIO()	Not Implemented
resetStatistics()	Not Implemented
dispenseItem()	Implemented
getCapCompareFirmwareVersion()	Implemented
getCapEmptySensor()	Implemented
getCapIndividualSlotStatus()	Implemented
getCapJamSensor()	Implemented
getCapNearEmptySensor()	Implemented
getCapPowerReporting()	Implemented
getCapStatisticsReporting()	Implemented
getCapUpdateFirmware()	Implemented
getCapUpdateStatistics()	Implemented
getDispenserStatus()	Implemented
getMaxSlots()	Implemented
getPowerNotify()	Implemented
getPowerState()	Implemented
getState()	Implemented
retrieveStatistics()	Implemented
checkHealth()	Internal (Level1) – Implemented External (Level2) – Implemented Interactive (Level3) – Not Implemented
open()	Implemented

close()	Implemented
claim()	Implemented
release()	Implemented
deleteInstance()	No Operational
setDeviceEnabled()	Not Implemented

JavaPOS functions for Cummins Allison Jetsort	
adjustCashCounts()	Implemented
beginDeposit()	Implemented
checkHealth()	Internal (Level1) – Implemented External (Level2) – Implemented Interactive (Level3) – Not Implemented
clearInput()	Implemented
close()	Implemented
compareFirmwareVersion()	Not Implemented
deleteInstance()	Implemented
directIO()	Not Implemented
endDeposit()	Implemented
fixDeposit()	Implemented
getCapCompareFirmwareVersion()	Implemented
getCapDiscrepancy()	Implemented
getCapFullSensor()	Implemented
getCapJamSensor()	Implemented
getCapNearFullSensor()	Implemented
getCapPauseDeposit()	Implemented
getCapPowerReporting()	Implemented
getCapRealTimeData()	Implemented
getCapStatisticsReporting()	Implemented
getCapUpdateFirmware()	Implemented
getCapUpdateStatistics()	Implemented
getCheckHealthText()	Implemented
getCurrencyCode()	Implemented
getDataCount()	Implemented
getDataEventEnabled()	Implemented
getDepositAmount()	Implemented

getDepositCashList()	Implemented
getDepositCodeList()	Implemented
getDepositCounts()	Implemented
getDepositStatus()	Implemented
getDeviceEnabled()	Implemented
getFullStatus()	Implemented
getPowerNotify()	Implemented
getPowerState()	Implemented
getRealTimeDataEnabled()	Implemented
getState()	Implemented
open()	Implemented
pauseDeposit()	Implemented
readCashCounts()	Implemented
resetStatistics()	Not Implemented
retrieveStatistics()	Implemented
setCurrencyCode()	Not Implemented
setDataEventEnabled()	Implemented
setDeviceEnabled()	Implemented
setPowerNotify()	Implemented
setRealTimeDataEnabled()	Implemented
updateFirmware()	Not Implemented
updateStatistics()	Not Implemented
